All our food is purchased daily from local suppliers and London Markets and wherever possible we endeavor to purchase seasonal, organic and free-range products.

Your food is freshly prepared and cooked to your requirements. If you have any special dietary requests or allergies then please inform any member of staff and we will be happy to discuss specific needs with you.

To me the most important part of cooking is the quality of the ingredients without which it is difficult, if not impossible, to produce the high standard of cooking that we in the kitchen are passionate about.

Please note our Menu is available from 9am – 2pm and 6pm-10pm, and incurs a £5.00 per person charge if you wish to dine in the restaurant.
