

STANHILL COURT

WELCOME  
BACK

WE ARE OPEN

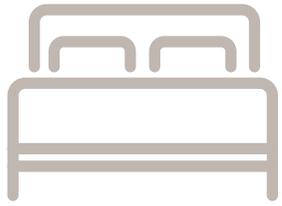

[READ OUR 'SECURE STAY' POLICY](#)

## INTRODUCING OUR 'SECURE STAY'

Safety is very important to us at Stanhill Court Hotel, so we have made the decision to be even more cautious when we reopen to our loyal supporters and first-time users. We have established new procedures following advice from both the World Health Organisation and the Health & Safety Executive to ensure your visit is safe and memorable.

Each department will now implement these new ways of working to ensure the highest levels of safety possible. In this way, they can manage the reopening process in a comprehensive way that covers all aspects of the operations. These measures are temporary but vital.

## SAFE HOTEL

To make your stay as comfortable as possible, we will be implementing social distancing in all public areas and provide clear communication throughout the hotel. There will be regular sanitising routines and overnight disinfecting of all areas and hand sanitising stations available at all entrances and staircases.

Protective screens will be put in place at Reception for added safety of our guests and the team. There will also be reduced check in and check out times with limited touch points.

Card Payments will be preferred at Check In to protect both the Team and the Guests and Checkout time changed to 10AM to allow for appropriate cleaning time of rooms.

Room amenities will be reduced and limited to essentials only and rooms disinfected after every checkout with WHO approved chemicals in a fogging machine through atomisation.

## SAFE DINING

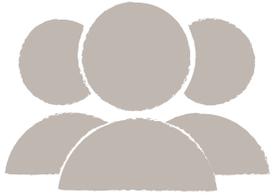

All guest and customers will be asked to sanitise their hands when entering the Bar or Restaurant. We will be reducing our opening hours and room service will be preferred to limit the touch point of production and delivery.

Protective screens will also be in the Bar for added protection for our guests and the team.

All menus will be available online to make it easier to view and order and we will introduce social distancing between tables in the Bar and Restaurant.

Regular sanitising routines and overnight disinfecting of all areas and a selection of continental breakfast will be available every morning.

## SAFE TEAMS

Our Teams will complete compulsory training in collaboration with FLOW Training before returning to work, this will ensure they are safe and ready to make your visit memorable. The interaction with Guest and Customer will look different but still feel the same.

A nighttime photograph of the Stanhill Court Hotel. The building is dark against a deep blue twilight sky. Several windows are illuminated from within, casting a warm glow. In the foreground, a large, multi-paned glass conservatory is brightly lit, showing the interior structure and some plants. The overall mood is serene and elegant.
